Proceedings of the Government of His Highness the Maharaja of Mysore, Financial (Salaries and Allowances), dated 23rd February 1909.

O. F L. 3789-829—S. & A. 380-08-1, DATED BANGALORE, 23RD FEBRUARY 1909.

ORDER.—It has been observed that the authorities competent to make appointments do not sometimes specify in their orders the exact vacancies which they fill up permanently or temporarily and the omission of this material point in the orders of appointments made, is the cause of much inconvenience in the audit of salary bills as also in the settlement of pension claims based on the service rendered in such appointments. Some instances of the kind were recently before Government in connection with the prayers of retired officers for the inclusion of acting allowances drawn by them in the average emoluments taken for calculating their pensions and the disposal of such cases required an investigation into the nature of appointments held by them. To obviate such inconveniences and to facilitate the prompt settlement of salary and pension claims, Government are pleased to direct that every order of appointment, whether gazetted or non-gazetted should give clear and specific information regarding (1) the particular sanctioned post filled up, (2) the circumstances of the occurrence of the vacancy and (3) the kind of tenure of appointment ordered substantive, *sub pro tempore*, officiating, in charge of current duties in addition to an officer's own duties or in charge of current duties independently, without retaining charge of an officer's own duties.
